Leader: **Gary Hanson**Co-Leader: **Lisa Jackson**

The weather forecasters were right 5 days out as today was a beautiful day on Wesley Ridge. We left Cumberland a few minutes before 8:30 and we were on our way from the trail head at 9:15. The trail and surrounding area has really dried out quickly since i was there a month ago, a few flowers are starting to bloom.

We had fabulous views from the three lockouts on the way up including a a brief unobstructed view of Mt. Arrowsmith before the summit was shrouded in cloud. managed to find the fourth somewhat hidden view point on the loop back.someone had brushed it out for us.

Thanks to everyone who participated in today's hike making my first trip as a leader quite easy.
