**Drabble Mtn (hiking)** [return to Reports list](#)

Wed Nov 16, 2016

Leader: **Joe Lumsdon**

Co-Leader: **Ed Tickner**

Started at trail head about 9:15am after driving up the steep logging road. Besides the usual gear most folks used crampons that were a definite need in the snow conditions. Easy to follow the well blazed trail for most of the trail as the weather conditions changed from overcast, to light snow to a mini blizzard before the summit.

Arriving at the peak at 11 am we had a quick snack and drink break before trudging back down in the driving snow to be back at the vehicles by just after 1pm.

Our motto for the weather conditions was safe with Hillsound (crampon manufacturer). The 7 up, were the 7 down, a great short day of local exercise.

*Not quite thick enough for skating yet*
