Slingshot Meadows (other) [return to Reports list](#)

Sun Oct 18, 2015

Leader: **Juanita Wells**

Co-Leader: **Allen Wells**

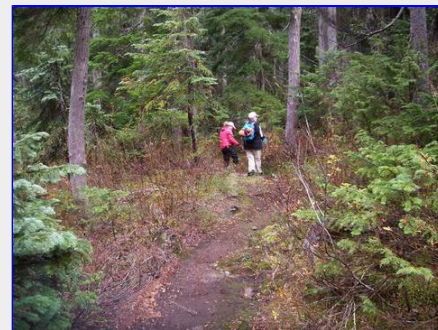

With overcast skies 6 energetic and hardy souls ventured out at 8:30am to Slingshot meadows for a day of trail maintenance. Allen put up some new signs while Ken ran the brush cutter along some of the nearby trails with the rest of the crew clearing and clipping behind.

By lunch time the skies were clearing and the sunshine was poking through. Thanks to the hard work of all the participants a lot of trail got some much needed clearing including the trail up to Drabble Lakes. All in all it was a beautiful and very productive day and it didn't rain!

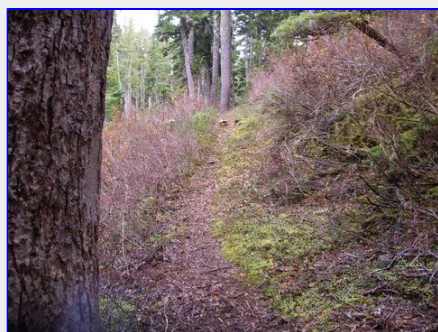

Everyone headed back to the vehicles for 4:30 and all were back in town for dinner by 5.
