## Trip Report

**Mt. Becher** (hiking) [return to Reports list](#)

Sun Sep 08, 2013

Leader: **Harold Osborne**

Co-Leader: **Bob St.John**

18 hikers enjoyed a perfect day to have a comfortable climb to the summit of BECHER. With a vertical of 738m and a distance of 10 km we summited in 2.5 hrs, 30 min lunch and arrived in the parking in 2 hrs. On the road down one of the cars had a wheel disc fly off. After 15 min search TIM used his bushwhacking skills to find it. Pretty good day all around.
